foreword

A phrase we might hear at any time or on any occasion is **please take note**. It fits many situations and is used to bring our attention directly upon something by the repetition of words or the use of pictures. **The Continental 1957** wishes to direct all eyes upon the noteworthy objects and incidents around and within Washington. The theme is easy, for our school has much to be proud of: handsome buildings, beautiful grounds, a wonderful social as well as educational program, and many actively interested students. We hope that you will open your eyes and really take note of our Washington for the first time as you turn each page.

PRINCIPALS—George Washington is recognized as one of the finest high schools in Southern California. Much of the credit is due to its outstanding faculty. Heading our faculty is Dr. Paul Fisher, principal. A principalship of a school as large as Washington is not an easy position for it holds many challenging responsibilities. As principal, Dr. Fisher is able to have close contact with the Cherrytree Generals and enjoys his work. Sharing executive positions with Dr. Fisher are Miss Margaret McKee, Girls' Vice Principal, and Mr. Wilson Jordan, Boys' Vice Principal. The students like and respect our principals and are happy to follow and learn democracy in the making.

SOCIAL STUDIES, ENGLISH, AND LANGUAGE DEPARTMENTS—Guiding and instructing the students of Washington, teachers are faced with a problem if they are to do a good job. Teachers pass on ideas and form into the minds of the students the attitudes they will have in the future. In the English department several elective courses are offered. They are in journalism, literature, and speech. Generalville's social studies department, headed by Mr. Preston Richmond, is one of the largest departments. History of our American nation and many other foreign countries is taught in the social studies classes. The language teachers take students to foreign countries by teaching foreign customs and backgrounds. The three languages taught are French, Latin, and Spanish.

Our beautiful library supplies a peaceful place for study and is equipped to fill every scholarly need.

MUSIC AND ART DEPARTMENTS—

"You're not together. Try again." As the director speaks, silence falls and students respond as one. Besides band, orchestra and A Cappella, the music department offers small choruses, harmony, music appreciation, and even piano and organ to fortunate Generals. Talented art students, who design costumes and scenery and makes posters for publicity, ably assist music groups in the Spring Review. Other classes offer exploration of various types of art and art crafts, or special study in one phase of the subject.

INDUSTRIAL ARTS, HOME ECONOMICS, AND BUSINESS EDUCATION DEPARTMENTS—

To interest boys in industrial vocations is the main objective of the Industrial Arts Department. The boys receive 900-1200 work training hours. Homemaking is the most important career a girl can have, and training girls for the home is the purpose of the Home Economics Department. By giving classes in business law and clerical techniques, the Business Education Department prepares students for the business world.

WINTER STUDENT COUNCIL—

Rapping his gavel sharply, Earl Rice, Student Body President, called his Cabinet and the Senate in session to begin a busy semester of legislation. Council's first official act was the B10 orientation assembly which acquainted new students with Washington. The school exchange and promoted sportsmanship and spirit. With the help of the Art Department, Council created the lively figure of Washington George to represent virtue and oppose the lazy Louws in every way. Council amended the constitution giving its adviser, Mr. Harold Cogan, the veto power. Washington students are proud of the fact that their government represents a democracy at work.

WINTER INTER-CLUB COUNCIL—To coordinate all on-campus clubs and their activities is the king-size job of the Inter-Club Council. Ably led by Pat Posito, the council formed many committees to do such things as seeing that all the clubs have a specific purpose and duty to perform, filing a constitution of each club with ICC, and helping clubs with any problems they may have. It was also the council's duty to place all clubs in a bungalow that formerly met in the buildings to lessen confusion at noon. In '57, a new policy was undertaken and ICC was represented in Student Council by the president. Mr. James Allen sponsors the council. The ICC was in charge of assigning Sports Nights to the clubs that wished to sponsor them.

WINTER STUDENT SERVICE PRESIDENTS—The horn blows at 12:50! Students never run for shelter for they know it's Colleen McKay and Bob O'Callaghan blowing the air horn to warn us that the campus was judged dirty, and it's up to us to clean it. Colleen and Bob walk around campus judging their respective areas either clean or dirty. After the areas are judged, Colleen, Bob, and Mr. H. Coogan decide the final outcome. Student Service Presidents were not only in charge of the clean campus program, but also of obtaining plaques for campus clubs and medallions for student council. They also helped with the plans for the new student council room which Washington should have by W'58. With the help of Bob and Colleen our campus is usually neat and clean.

WINTER STUDENT HEALTH COMMITTEE—Miss akian, Contopulos, Graff, Link, Miss Sylva, adviser; Mrs. Fraga, nurse; Posito.

WINTER HEALTH COMMITTEE

—Every Monday during noon a friendly teacher, Miss Lucille Sylva, with four students files into the Girls' Gym classroom. The four students are Mary Missakian, the Commissioner of Health and Safety, and her committee—Ronnie Graff, Mary Link, and Pat Posito. To promote better health and safety habits among the students is the purpose of the Committee. This group supported other successful service activities last semester which included Safety Week and Posture Week. During both of these campaign weeks many posters decorated the school and many articles were written in the school paper reminding us to be careful and watch our posture.

GIRLS' LEAGUE SCHOOL COMMITTEE—Under the leadership and guidance of Judy Gall and Sandy Nightingale, School Committee had another successful year. Decorating and serving for league activities is the main purpose of the Committee. The most exciting event for Washington Marthas is the Sadie Hawkins' dance when each girl grabs her Lil' Abner and drags him to Dogpatch. It is even more exciting to participate in the actual planning of the Sadie as every girl in School Committee will agree. To become a member of the Committee, one must have artistic ability, be willing to work, and have previous art experience.

WINTER BOYS' AND GIRLS' LEAGUE—
Under the direction of Jackie Cole and Dennis Bujer, Winter Girls' and Boys' League Presidents, the Leagues presented the Big and Little Sister Party honoring all B10's and all other girls new to Washington, the installation assembly, fashion show, inspirational and sports assemblies, the panel discussion by Senior A boys and girls on teen-age problems, and of course, the Sadie Hawkins' Dance. As always, the entire cabinets did a good job. Winter semester sponsors were Mrs. Chase and Mr. Dunning. There were chairmanships such as Friendship, Service, Social, Publicity, Better Grooming, Finance, and Hospitality. Girls' League and Boys' League representatives were elected from second period classes and met to discuss future activities. The constant aim of the Leagues is to preserve and beautify our school, to support and encourage all activities that support the best interests of Washington, and most of all, to further the spirit of good fellowship and democracy.

WINTER BOYS' LEAGUE CABINET—Forsyth, Bujer, Davis, Bryarly.

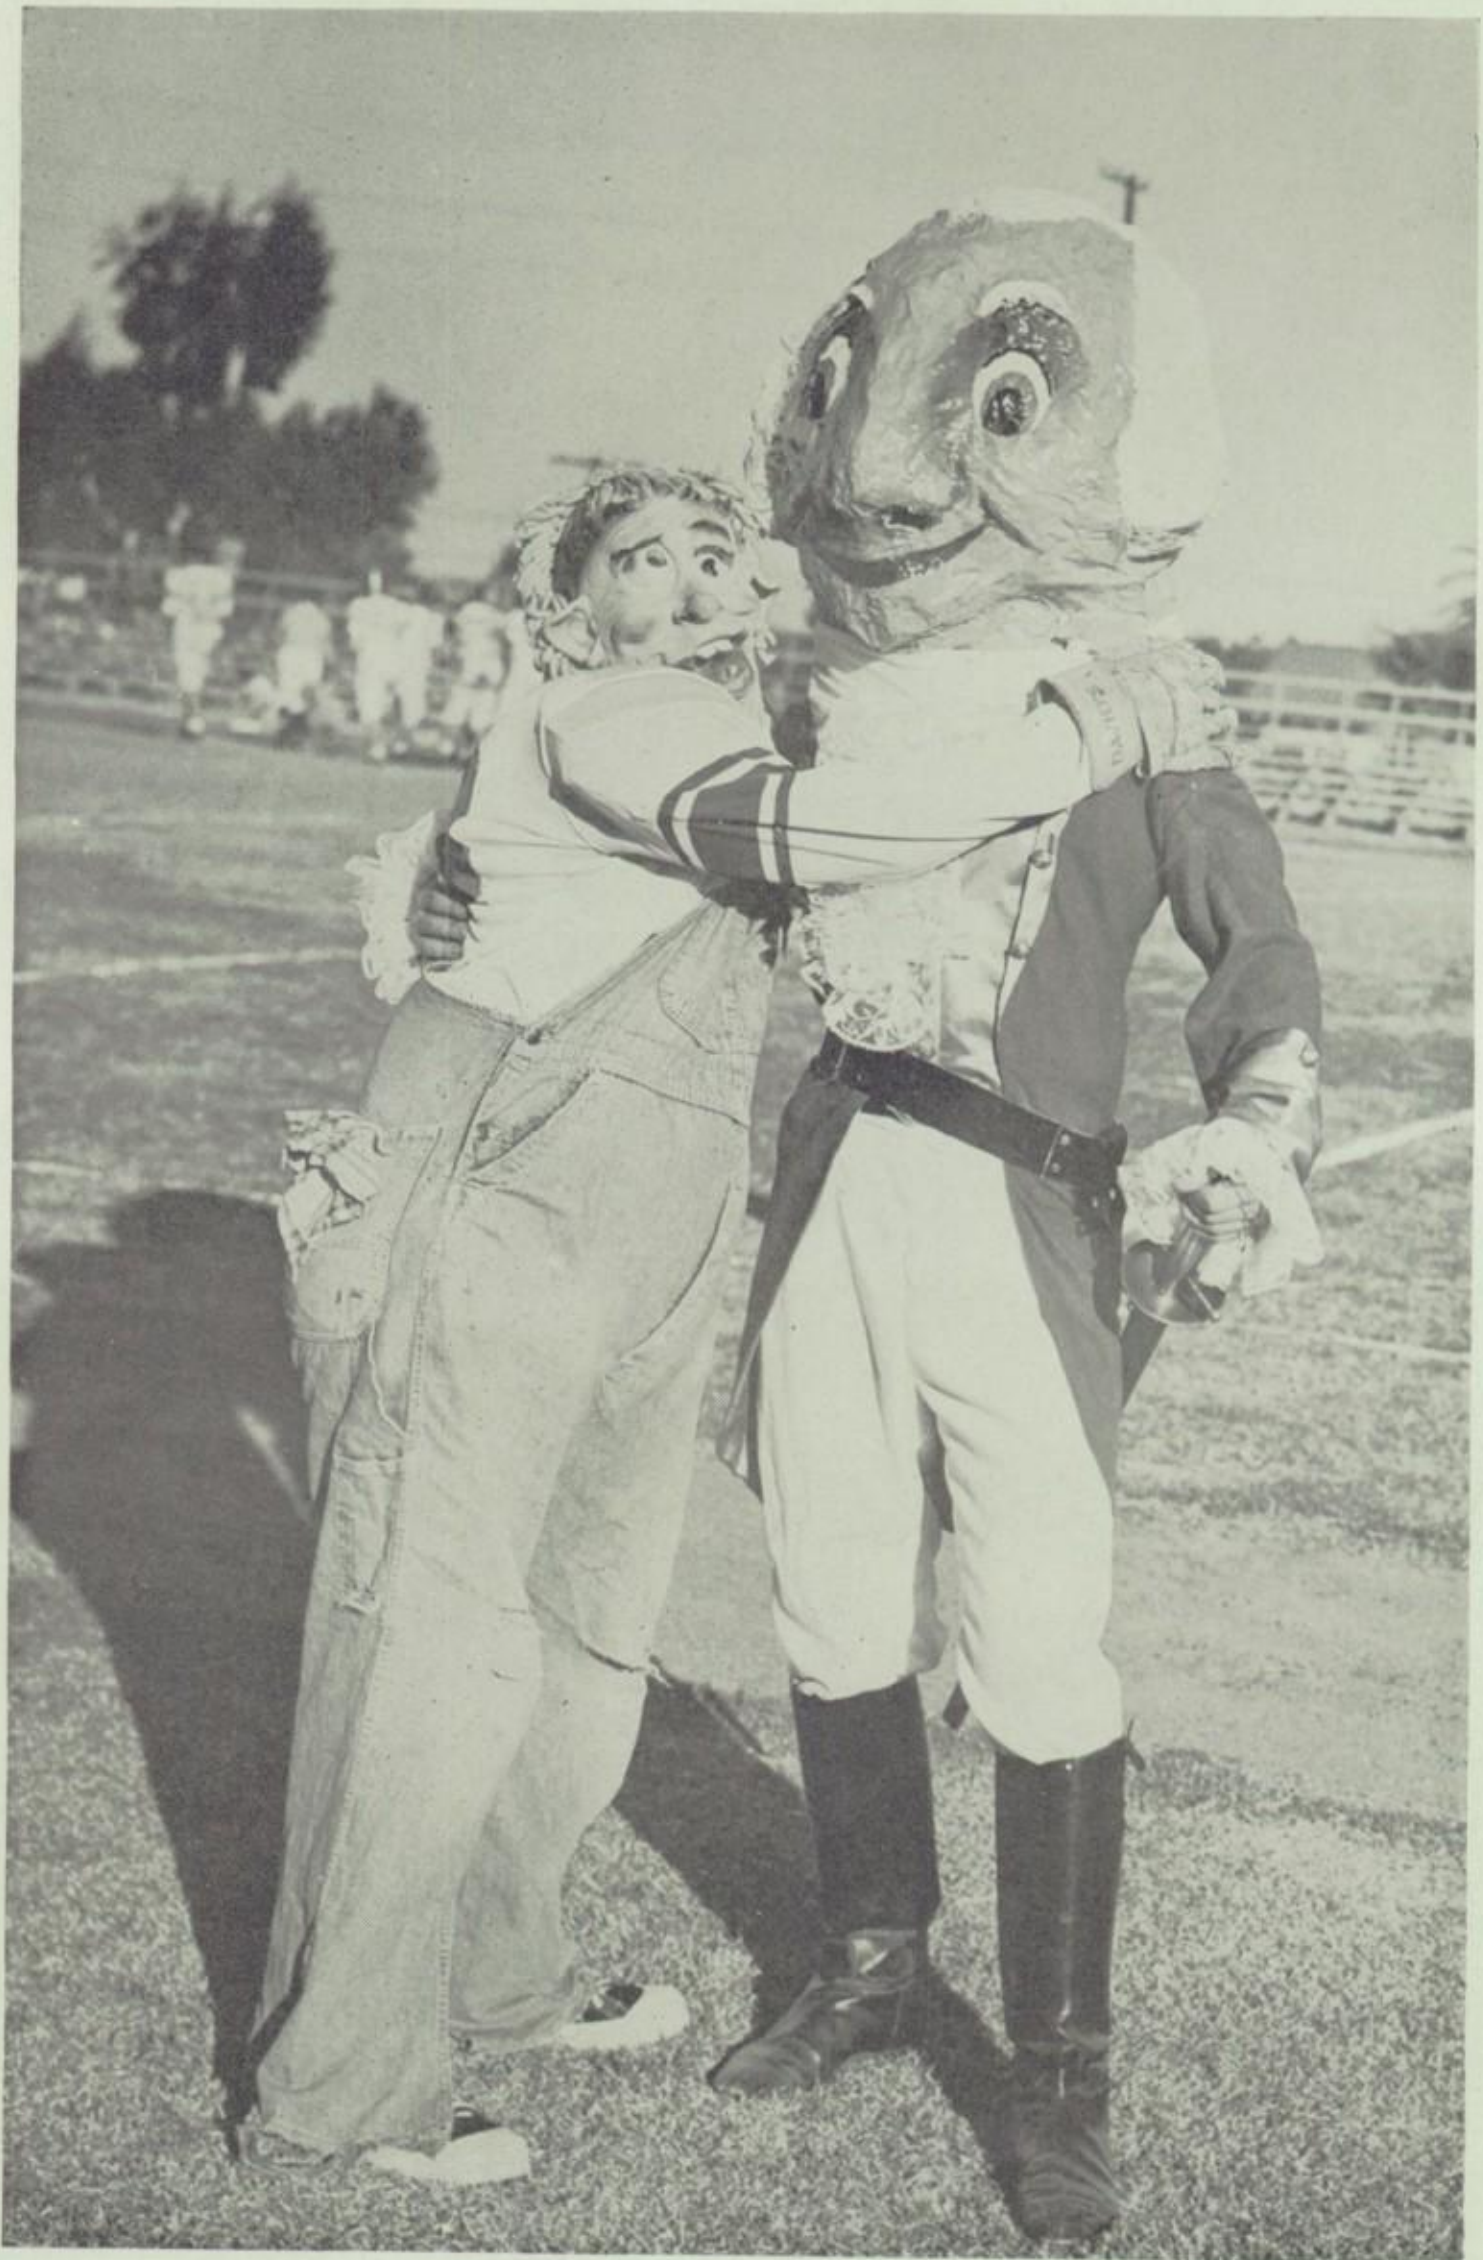

Shouts of laughter and the bang of popping balloons went with purple-faced blowers at the Girls' League sponsored Sadie.

SUMMER STUDENT COUNCIL—

Gavel in hand and with the familiar words, "Will the meeting come to order," Bob O'Callaghan opens the daily session of Student Council. Here, students plan the school's activities. Sponsored by Mr. H. Coogan, the forty-nine members plan dances such as the "Leprechaun Leap" and the "Heartbeat Hop". Printed card tags promoting school spirit and reading "JOLT JEFF" or "MASCARE MANUAL", originated in the minds of Council members. Student Council is proud of the new medallions that each member is wearing for the first time at Washington. The hard work of Council members is amply rewarded by the enthusiastic response of the student body.

SUMMER INTER-CLUB COUNCIL—

Please take note! A reorganization project is under way. Since February, 1957 Inter-Club Council representatives are club presidents rather than a member elected to this position from each club. The purpose of ICC is to co-ordinate all on-campus clubs and their activities. This job is ably carried out under the direction of Pat Posito and the sponsorship of Mr. James Allen. ICC gives each club a service to perform, provides bungalows for each club to meet in, and attempts to solve club problems. Fun-filled Sports Nights are also a major part of the Inter-Club Council program. Every Friday noon finds all club prexies working together to promote a diversified social-service program for Washington's many organizations.

SUMMER STUDENT SERVICE PRESIDENTS—Clean Campus Program is a daily duty for Student Service Presidents, Kathleen Pell and Dave Van Hoorebeke. Students who see a sloppy character, dressed in faded overalls roaming Cherrytree Campus, have probably seen and are aware of Washington's LOUWS. The LOUWS is characteristic of dirty campus. During noon, the campus undergoes inspection and is judged by Student Service Presidents and B10 Senators with Mr. Harold Coogan's aid. When the campus is clean three days out of five, students receive a twenty minute bonus on Friday. However, when Generals follow the example of the lazy, obstinate, useless, Washington student, better known as the LOUWS, everyone is penalized ten minutes at the end of the day.

SUMMER HEALTH COMMITTEE

—"Was it bad?" "No, not at all; I hardly noticed it." Though it sounds like the discussion of a test, these Generals are really talking about polio shots. Two free shots were made available to each Washington student and teacher. The first week of March was denoted Dental Health Week to make Washingtonians aware of the necessity for sound teeth. The Student Health Committee is composed of the Commissioner of Health and Safety, Carol Olivadoti, and four other Student Council members. Every Monday noon finds the five with Miss Lucille Sylva, Health Co-ordinator, busily planning ways to promote better health and safety among all Generals.

AUTO SHOW— June is the month that every boy at Washington awaits. It is not only the month when our summer vacation begins but also the month for the Auto Show. This year almost every car entered featured the popular "rake" sometimes referred to as the "California Tilt." Many of the street coupes had large displacement engines. Fine laquer paint jobs and varying types of upholstery were featured. Most of the cars displayed pin-striping. It was a great show for '57 engineered by the Boys' League.

Lots of Support and hard work by the boys helped make this auto show a big success.

SUMMER GIRLS' AND BOYS' LEAGUE— Under the capable leadership of Presidents Judie Garwood and Jimmy Angelos, the Girls' and Boys' Leagues got off to a fine start for summer '57. The Girls' League presents the Big and Little Sister Party for the B10's and girls new to the school and plans the many exciting doings for Girls' Week and Cotton Day. Each month to emphasize the importance of good grooming, the better grooming committee chooses the "best groomed girl," takes her from her first period class and presents a corsage to her. Boys' League plans the varied athletic tournaments, an auto show, and the "Mr. Washington" Contest. One assembly, new and different, sponsored this year was a men and boys' fashion show given by Desmonds. Students of Washington were models. These projects are labeled, "For Men Only!" The Boys' League and the Girls' League together plan that exciting dance set in Dogpatch, perhaps better known to one and all as the Sadie, where the Daisies hook the Abners.

USHERS—The Usher Society is one of the busiest clubs at Washington. Controlling "abnormal" behavior during assemblies and keeping an eye on the non-conformists at Cherrytree Campus constitutes part of the Usher program. Ushering at graduation and at all sports events keeps the members busy and active. Second semester Ushers sponsored a sports night, which turned out to be a very successful endeavor. The semi-annual installation banquet is a major highlight of the year.

PEP CLUB—Washington's Pep Club began at the first of the football season. Any Washington student with a C average and no more than two U's is qualified for membership. Presided over by Julie Sheue, the W'57 Pep Club is the first group at Washington to perform a card trick at a football game. Using large red and white cards and under the supervision of Celeste Mayer and Roberta Terry, the club spelled out "Hi L.A." Uniforms feature a blue skirt with a white blouse and gloves. Pep Club creates spirit and enthusiasm.

JUNIOR BOARD OF CONTROL—Note that the Junior Board of Control declares war on all hall loiterers! Striving to reach their goal of cleared, noiseless halls, the Board worked during the noon hour guarding all entrances to the building. Leaving his class five minutes before the dismissal bell, each member donned his badge and began duty at an assigned post. Social activities lend enjoyment to the picture of hard work that this club presents. The '56-'57 agenda included a picnic, a bake sale, a skating party, and an installation. Membership is open to A10 students.

Senior Board of Control enrolls senior boys who want to do service for their school. The sponsors are Mr. C. Pritchard and Mr. V. Duncan, and the president is John Herzog. The boys meet regularly every Wednesday noon. The Board holds a banquet at the end of every semester where certificates of merit are presented to the boys who qualify. This service record is on the cum card.

TYROS—Those girls hurrying to the aud each Monday noon of the fall semester weren't merely privileged students. Tyros, a club for B10 girls, does much for its members and for Washington. Under the guidance of Mrs. Earlyne Gershon and president Thea Sadowski, the girls served at teas, at school dances, and gave a tea for the new Tags who entered at the spring semester. A favorite activity was decorating the traditional Christmas tree in the main foyer. Working together under such informal conditions, many friendships were formed.

Composed of B10 girls from the winter class, Tags welcome the incoming B10's, who will be the new Tyros, by giving a party in their honor. The girls make Easter tray favors for hospitals, advertise the Red Cross donation drive, and distribute posters in the neighborhood. Helping with the blood drive, Teen-aiders advertise and promote the great necessity for able-bodied persons to give blood. These civic-conscious girls bring the joys of Christmas to the Veterans' Hospital by decorating a tree. With the help of Mrs. Viola Bentley, sponsor, the club gives happiness to numbers of disabled persons.

MARTHONIANS—Made up of the girls who are primarily interested in homemaking, Marthonians find many ways to give service to Cherrytree Campus. As one of their major projects, the '57 future homemakers sponsored a cake baking contest as an added feature of Girls' Week, and presented ribbons to the winners. The Marthonians regularly serve at the Senior Mothers' Tea, Lettermen's Club, and Scholarship banquets. Under the sponsorship of Miss Mary Frances McKenna, the Marthonians are counted as one of Washington's most helpful clubs.

MARTHONIANS—Row 1: Hart, Hughlett, Hammersrom, Burggrabe. Row 2: Miss McKenna, sponsor; Segan, Richison, Giltch, Noble, Van Fossen, Bernal, Mrs. Crumpacker, sponsor.

MINUTEMEN—Encouraging spirit on Cherrytree Campus keeps the Minutemen hopping all semester. Minutemen publicize the activities of Washington to the student body and to the citizens of the community. Members assume the responsibility of reporting all major events at Washington to the various newspapers and of keeping the alumni posted on important happenings. Knowing that the community takes an interest in the events at Washington, the Minutemen distribute posters and circulars to neighboring stores.

MINUTEMEN—Row 1: Clubb, Cole, McKay, Landee, Condon, Rynberk, Amerian, Chadderton. Row 2: Larsen, Nordin, Englund, Pell, Campbell, Bartlett, Olivadoti, Mr. Siemens, sponsor.

CHRONIAN SOCIETY—All Chronians look forward to the eventful presentation of the social studies awards to many graduating seniors. Every semester Chronian Society members give a get-acquainted party for new members. Civic-minded Chronians visit Southern California's historical landmarks and profit by an interest in community affairs by sponsoring and publicizing, at school, Brotherhood and Conservation Week, and a Memorial Day Assembly. The combined work of Miss Eva Hodgins, sponsor, and Jan Forsen, president, has provided much activity.

CHRONIANS—Row 1: Swift, Malone, Maitland, McClure, Gibson, Manley, Cronshaw. Row 2: Sandel, Posito, Lange, Miss Hodgins, sponsor; Braun, Forsen, Wachs.

Laughter and dreamy music were mixed together to create a night of everlasting memories.

COTILLION—And now we proudly present the Cotillion! Making its debut this year, the Cotillion is the only semi-formal dance except for the K and L that all students may attend regardless of grade. Sponsored by the Pages, Squires, Earls, Marquis and Counts, the winter dance was held at El Camino Junior College because our gym was being redone, and the summer dance was held in the gym. From now on, the Cotillion will be presented with the Senior Prom, Sadie, and K and L. Pictures were taken of each couple by Anthony Loya studios, and there were refreshments served to everyone. Music for dancing was provided by Stewart McKean and his Just-Jazz-All Stars.

MARQUIS—Row 1: LaMack, Higginbotham, Angelos, Vacirca, Hutchings, Mr. Allen, sponsor. Row 2: Akmon, Lejuwaan, Deovlet, Sheldrake. Row 3: Mr. Duncan, sponsor; Arnold, Crowther, Bujer, Birch, Hunter, Delgado, Johnson.

MARQUIS—The Marquis Key Club, under the sponsorship of Mr. Allen, Mr. Duncan, and the Southwest Kiwanis Club, is a school service club. Two services of the Marquis are painting trash cans and showing new students around the school. The club, under the leadership of Dennis Deovlet, is fairly new on campus as it was started early in 1956. The members may be found every Tuesday noon in room 174. The club was developed with the social point of view in mind also. Parties have been given from time to time at the different members' houses and were a great success.

PAGES—A special addition to Cherrytree Campus this year is the Pages, a Tri-Hi-Y club and a sister club to the Squires. Mr. Ellsworth Froggatt sponsors the organization. The members' time is occupied working in the school cafeteria behind the counters and in the hash-line. Another service that is performed with a willing spirit is helping in the bookroom. Occasions serving to knit this friendly group closer together are the field trip to the airport, where Pages learned about airline procedure, and the YMCA Leadership Conferences which the girls attend en masse. All in all, this new club had a profitable and fun-filled year.

PAGES—Row 1: Forsen, Nightingale, Posito. Row 2: Bon Coeur, Christenson, Loveless, Mayfield. Row 3: Streeter, Taylor, Noble, Huffman, Willey.

TEEN TOPPERS—A double program of service and fun gives this club a special attraction. As a service organization, Teen Toppers is hostess for girls new to the school. Members show new students around the campus, explain the customs of Generaltown, and introduce the strangers to their friends. Teen Topper membership is limited to girls five-feet-seven inches tall and over. The constitution does allow, however, two mascots, who are under the height limit. Activities other than service to the school included a Halloween party to initiate new members, an ice-skating social and the senior farewell. For a Christmastime service, the girls wrapped presents for patients at the Los Angeles County General Hospital.

TEEN TOPPERS—Row 1: Benson, Gerde, Rice, Fahrman, Salvinger, K. Blodgett, Nocas. Row 2: Pomaville, Miss Rollins, sponsor; Heil, N. Blodgett, Anderson, Toivonen, Hobaugh, Faulisi, Sharp, Arnaelsteen, McGarragh.

FUTURE TEACHERS OF AMERICA—Row 1: Blodgett, Nocas, Gerde, Cronshaw, Braun. Row 2: Dashoff, Flipp, Kelsey, Ritchie, Hinze, Brady, Sheue. Row 3: Terry, P. Posito, McClure, A. Posito.

FTA—Quintillians, Washington's local chapter of the national Future Teachers of America Organization, encourages further knowledge and gives information in a chosen vocation. Numerous field trips to schools and colleges developed an interest and insight into the necessary preparation for a teaching career. The 1956-57 FTA calendar showed trips to Morningside High School, the University of Southern California, and Occidental College. Mrs. Dorothy Hertzog is the sponsor. Sports night, installation of new members, guest speakers, and the Senior Farewell rounded out the year's activities.

hard work brings rewards

FBLA—To serve Washington High School is the goal of Future Business Leaders of America. These business majors sell candy and cokes at athletic events and handle ticket sales at the FBLA window. Members receive credit for planning and organizing Career Day; they also act as official hostesses. At the end of each semester a banquet is held to honor new members, new officers, and graduating seniors. To climax the semester, FBLA held a Sports Night. Mrs. Earlyn Gershon, sponsor, gave encouragement and assistance throughout the year.

FUTURE BUSINESS LEADERS OF AMERICA—Row 1: Carson, Mrs. Gershon, sponsor; Thompson, Hoser. Row 2: Rothman, Shuey, Thirkill, J. Barthel, Campbell, L. Barthel. Row 3: Diehl, Larios, Van Volkenburgh, Tarmo, Rice, Stoneking, Hamilton, Butler.

ADELPHIANS—With an outstanding goal—to help others less fortunate—the Adelphians give time and work in the Washington community. Among the most important undertakings are the regular visits to the Spastic Children's Foundation. It is traditional for Adelphians to hold a Christmas party, with complete decorations, to help the children to experience a festive season. By selling football programs in the fall, Adelphians earn money for several charitable projects while at the same time they give service to Cherrytree Campus. Members enjoyed a complete and successful '57 program.

ADELPHIANS—Row 1: Pell, Funaro, Gray, Kotwicki, Bernst, Shuey, Anderson, Miss Fitzpatrick, sponsor. Row 2: Ingelido, Ranson, Johnson, Hamilton, Larios, Van Dusen, Van Volkenburgh, Kamashian, Clark, Carter.

JUNIOR ADELPHIANS—At the Spastic Children's Home the Junior Adelphians do volunteer work. Reading story books and entertaining the Spastic children at least once a week, the Junior Adelphians brighten the children's day. At Christmas time the Junior Adelphians gave a party for the children, and donated a fully decorated Christmas tree with presents. At Easter time Marthas furnished ice cream and cake. Each girl made an Easter basket filled with candy and Easter eggs.

PRE-MED CLUB—Checking the school's Red Cross boxes is the service performed by this group of future medics. To further their knowledge in the medical field, Pre-Med members hear speakers at each meeting and make a field trip each semester. 1956-1957 excursions were to the medical ship USS Relief and the General Hospital Research Lab. Helping with the Salk Vaccine program was an activity in which all participated. Rounding out the year were a get-acquainted party for new members and a roller-skating party with the Science Club.

PRE-MED CLUB—Row 1: August, Trautenberg, Sandel, Arnaelsteen, Larsen. Row 2: Regina Esposito, Mrs. Kelley, sponsor; Barrack, Wachs, Nelson, Seboldt, Rosemary Esposito.

MATH CLUB—The twentieth century interest in science and math brings together ambitious mathematicians of Generalville who enjoy discussing and solving unusual math problems which are not included in regular class work. At Math Club meetings under the guidance of Mr. James Wade, sponsor, and with the leadership of Jim Kudell, Math Club creates a vital and inspirational interest in the field of mathematics. Membership requirements for this club are previous experience in second semester geometry and an interest in the field of mathematics.

MATH CLUB—Huntting, Montag, Bottger, Mr. Wade, sponsor; Greene, Kudell.

CHESS CLUB—In Thursday afternoon meetings, boys who enjoy chess have a chance to improve the quality, style, and techniques of the game. Round-robin meets offer time to practice for the annual All-City Chess Tournament games. The boys profited in knowledge of chess under the enthusiastic sponsorship of Mr. Abraham Herzel. Participation in the Southern California Chess League meets presents the chess-loving members an outstanding opportunity. Don Federick was this year's Chess Club president. The boys find time to squeeze in a spring barbeque for an enjoyed social activity.

CHESS CLUB—Row 1: Mittleman, Levine, Montag. Row 2: Mr. Herzel, sponsor; Ewing, Guy, Federick.

ROCKET SOCIETY—Row 1: Greene, Lewis, Sparkes, Garcia, Mr. Pritchard, sponsor; Jankowski, Montag. Row 2: Spencer, Wong, Hubert, Ewing, Niemeyer, Benjamin, Birkitt, Taylor, Bierschenk.

ROCKET SOCIETY—To establish interplanetary communication and trips to outer space is no joke with these young individuals. Every Monday noon in Bungalow 26 they assemble to discuss plans pertaining to rocketry and various related fields. The winter and summer semesters' activities included a field trip to UCLA and an all day trip to China Lake to view a demonstration of the rocket sled. A farewell dinner was also given in honor of the founder of the Rocket Society, Bill Greene. This group is sponsored by Mr. T. C. Pritchard and Mr. R. McLean.

SCIENCE CLUB—Row 1: Anderson, Federick, Fife, Montag. Row 2: Pomeroy, Michaels, August, Nocas, Zitterman. Row 3: Olmstead, Clark, Ewing, Wachs, Arnaelsteen, Terry, Salvinger, Birkitt, Carter, Hovey, Schulman, Sandel, Jue, Hurley, Sparkes. Row 4: Love, Herzog, Huntting, Mr. Potter, Mr. Cole, Mr. Madsen, sponsors.

SCIENCE CLUB—On Wednesday noon you can always find a group of tense, excited students in Room 320. What is the occasion? The Science Club meeting, of course. Every week students, teachers, or prominent businessmen give lectures, perform experiments, or show movies to the intelligentsia of the science and math departments. With their sponsors, the club members occasionally take time from their intellectual pursuits to go skating and to have parties. Science Club sponsors a science fair for students at Washington and tours industries and laboratories in the immediate vicinity. A "B" average in a science or math major is required for membership.

FILM PROJECTION—Social Studies . . Home Economics . . Science . . Music . . Art . . English . . Gymnasium Classes are only a few of the diversified picture subjects shown by the well-trained individuals (Generals enrolled for industrial arts credit) on our Cherrytree Campus at Washington. Teachers notify the film projectionists through an office schedule to come to their classrooms and operate the film or film-strip projectors, the slide projectors, or the tape recorders which the projectionists maintain in excellent operating condition. The films are also repaired if they are damaged while shown in a classroom. This exceptionally well-trained group of boys is under the guidance of Mr. N. Noonan of the Science Department.

STAGE CREW—The stage crew consists of a group of students with various types of skills. Before every aud call the members are kept busy preparing the stage for the production. They build and set up all stage properties and scenery. The boys take great pride in every aud call. Their professional workmanship gives much pleasure to the student body. Stage crew members have a chance to show their skills by working the lights and spot-light effects during every aud call. The boys may also open and close the curtains. The class meets daily with Mr. Wilfred Abbott on stage. The '57 officers of the stage crew are: managers—Jerry Lahl and Bill McLaurin; electrician—Steve Stuart; and carpenter—LeRoy Trujillo.

STAGE CREW—Row 1: McLaurin, McCullar, Stuart. Row 2: Decker, Lozonne, Mr. Abbott, adviser; Pulcini.

SOUND CREW—Enthusiastic boys of our vocational electric department are those who supply us with the baseball, football, basketball, and track meet sound all year 'round. Their pet project, however, is to operate and give perfect sound during aud calls. The noon movie program could not have been made possible or so successful had it not been for James Hollis and Herold Reynolds who contributed both their time and effort. The sound crew also maintains, operates, and installs needed equipment. Last year a Rotary Club Craftsmanship Award for Sound was given to Victor LoCicero. He and Warren Lewis are the supervisors of the sound crew. Mr. R. Gilliland of the vocational electric department is superintendent.

GIRLS' VOCAL ENSEMBLE—

"Let us live by the Golden Rule" is the beautiful motto of the Girls' Vocal Ensemble. The ensemble is a regular class for all girls who are interested in music, harmony, and entertainment. The ensemble is usually scheduled on the Girls' League assemblies, P-TA meetings, GAA Installations, Big and Little Sister parties, and open community programs. Mrs. Mary Davise, head of the music department, directs the chorus. Guided by her natural talent, she makes the ensemble an outstanding group on the Washington stage. Toni Bevilacqua held short meetings when there was time out from practices and rehearsals.

THESPIANS — Applause thundered throughout the '57 season as the Thespians scored one direct hit after another. Thespians, who make up Washington High's fine drama group, appeared in many stage performances and enlivened lunch periods with short plays. Noon meetings served as workshops for new ideas and methods to be discussed and tried out. Popular dramas presented were **A Wedding** and **Giant Stair**. The students sponsored a Shakespeare Aud call and took part in the Spring Revue.

CLEF CLUB—Highlighting each semester is the semi-annual Clef Club assembly and night program. Under the sponsorship of Mrs. Mary Davise and Mr. Charles Edwards, the members play for community events and school activities. Some of their appearances included the Junior Red Cross Variety Show at Sawtelle Hospital, community sings, the Lions' Clubs and smaller women's clubs. Three Washington entertainers performed on the television program, "Spotlight on Youth," and counted it as a wonderful experience. A fabulous initiation and installation of officers party, quite different from any past event, was very succesful.

ORGAN GUILD—Playing the Pledge and background music for school assemblies, Organ Guild members find active participation in school activities. This vital music group meets every Monday to organize programs. Washington is fortunate in having Mrs. Mary Davise, head of the music department, to sponsor the club. Members visit churches and their private homes to gain experience playing Electric or Pipe Organs. They enrich their musical understanding by attending many organ concerts. All members look forward to the time when they give their own concert for the student body.

ORCHESTRA—With bows and horns in hand, our orchestra set out to provide the school with worthwhile music. First period each day finds these budding virtuosos hard at work perfecting their styles. Besides giving the players opportunities to perform for an audience, the orchestra also entertains at special assemblies, graduation, Clef Club shows, and the Spring Revue. From the classics they presented such numbers as Grieg's Piano Concerto, "A Night on Bald Mountain" by Moussorgsky, "Fingal's Cave", and Tschaiakowsky's Fourth Symphony. On the lighter side were selections from "Carousel," "Oklahoma," and "My Fair Lady." Helen Edmiston and Robert Ringstrom were winter and summer concertmasters. Mr. Wilfred Abbott directs.

A CAPPELLA CHOIR—With Miss June McConlogue directing, the A Cappella Choir provides choral music for assemblies and shows in addition to many off-campus performances in the community. At the Eagle Rock Choral Festival, Pomona Choral Festival, Sunrise Easter Service at Sportsman's Park, and the Spring Review they gained recognition. They featured on KTLA in Alex Cooper's SPOTLIGHT ON YOUTH, where they sang "Roll Jenny Jenkins" with dance accompaniment. The group presented James Weldon Johnson's "The Creation" with Aaron Peck narrating. Dave Carlson and Steve Lidell served as Winter and Summer presidents. Again as in the past, Washington's valued A Cappella provided worthwhile music to the school and community.

Responsibility, good judgement, and creative ability are prerequisites for staff membership. Students plan what is to go into the book—activities to be featured, pictures to be taken, copy to be written—and then see that it is done. Designing the layouts, cropping, measuring, and countless other jobs occupy the time of the staff to make their year one filled with hard work and genuine achievement.

BAND—When music that makes you want to clap your hands in rhythm is heard on our Washington campus, it is probably coming from the band. Consisting of approximately forty members, the band has had a full schedule this year. They played for **Spotlight on Youth**, Open House, and I Am An American Day. The band does marches and routines at football games. The group also presented a special concert assembly at school which included "Overture" by Carl Von Weber, "Overture to William Tell" by Rosini, and Schubert's No. 8, "The Unfinished Symphony."

DRUM AND BUGLE—With the exuberant beat of drums, Washington's outstanding Drum and Bugle Corps proudly marches onto the field. Directed by Mrs. Nancy Stuart, the corps consists of seventy-five girls. With the syncopated swing of white skirts and accented red jackets, the girls march at school functions. Much of the success of Drum and Bugle is due to the majorettes. Work comes before pleasure and being majorette is no exception, as Joyce Birk and Evelyn Pedersen will agree. Above all, the corps promotes school spirit.

VARSITY FOOTBALL—"Oh no, not another injury." This is what Coach Culler and Coach Pothoff repeated so many times after each game, but the season was far from being lost. With captain Bob Floro the team went on to place third in the Southern League. After beating Manual and Jefferson, the team faced an upset when Fremont dumped them followed by another loss against L.A. Using his all-city bound halfback Ronny Miller, Coach Culler used the "T" formation which seemed very effective.

B FOOTBALL—Hoorays and shouts at the B football games were given with good reason, for these mighty mid-gets did better than any other B football team in the last four years. Under the leadership of Coach Lew Dunning, the team ended with a two-win-three-loss record. They beat Fremont and Manual and lost to Jefferson, Dorsey, and L.A. Talking to Coach Dunning, your reporter found that Wayne Sorenson was the season's outstanding player. The boys chose Warren Noack, who had done an excellent job leading his teammates, as captain. Most of the team is made up of underclassmen. Next fall a majority of the B team will move up to Varsity.

VARSITY BASKETBALL—During the year's hoop season our Varsity Basketball Squad battled it out with their Southern League opponents, finishing fifth in the League. Coaching Varsity Basketball at Washington for his second year was Tom McCullough who improved the Varsity Squad over last year's. At the end of the season the members of the team elected the Most Valuable Player (M.V.P.) and a Captain. Rich Crowther, guard, was the Most Valuable Player, high scorer, and a Co-Captain with Don Sheldrake, other guard. Playing as first string forwards were Rich Johnson and Allen Forsyth. Jack Rawlings and Don Toth both played the center spot. Two of the top six players (Rich Johnson and Jack Rawlings) will be coming back to play in next year's hoop season.

B BASKETBALL—For the second time in succession, B Basketball Club captured the Southern League Crown, their best record since 1944. Fighting hard for the championship, they won 13 out of 14 games. Against their Southern League foes, the squad won nine and lost one. Team members voted Jeff Stitt, the left forward, who obtained a 20 point average per game, Most Valuable Player. Ray

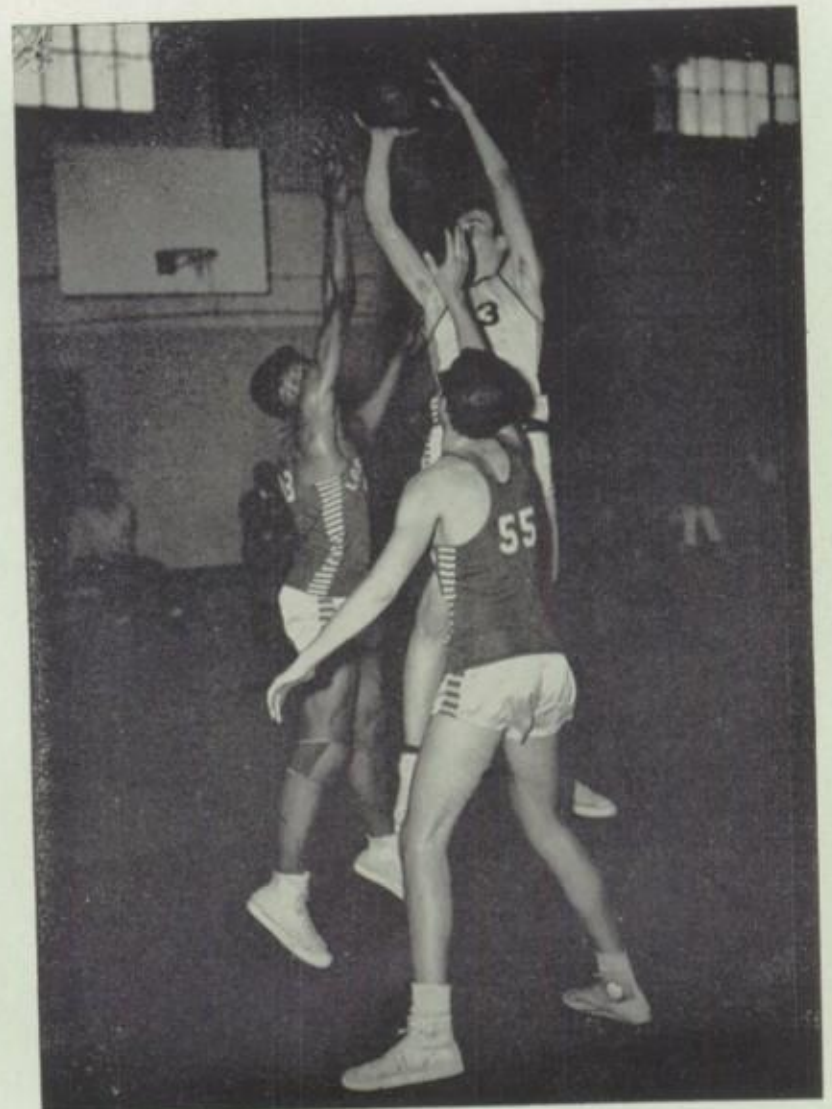

Backed by teammates, a General stretches to cage a ball.

Langley, right forward, was second highest scorer with 14 points per game. Ron Lowe, left guard, was voted captain. The team gives a lot of credit for another Southern League victory to their coach, Robert White. The club will lose three out of the first five who graduate in June '57—Jeff Stitt, Ron Lowe, and Ray Langley.

ELEVENTH GRADE CROSS COUNTRY—Row 1: K. Kosik, C. Truitt, C. Hough, R. Lejuwaan. Row 2: B. Wickline, B. Trimble, R. Rodriguez, D. Brueckner.

10TH GRADE CROSS COUNTRY—The 10th Grade Cross Country team under the guidance of Coach Barry ended a successful season. Home meets were held at the one-and-three-quarter-mile course at Western and Imperial. Although Cross Country is not one of Washington's most publicized participation sports, boys were at the course everyday. The winning team in Cross Country meets has the least points. Most of the boys will progress to the eleventh grade team and look forward to another highly successful season.

TENTH GRADE CROSS COUNTRY—Row 1: Damico, Pulcine, Tarantino, Osborn, Rice. Row 2: Gates, Mazet, Ward, Adams, Gram. Row 3: Garcia, Yoakum, Rhoden, McKowen, Ostendorf, Brooks.

CROSS COUNTRY—This year Washington had one of its best cross country teams. The boys were filled with spirit and really showed it. Placing second in the Southern League was not an easy task for the iron lungers. They faced rough competition throughout the whole season but with the help of Coach Joe Barry, "the best cross country coach in the city," the team finished in the top division. Tom Dilday, school record holder for the cross country course, and Don Lawson were two boys who helped to make the team a winner. Tom Dilday amazed with his running ability when he set a new record in the City Finals.

GAA AND GAA BOARD—

"Strike one!" "Strike two!" "It is a homer!" These are among the shouts heard when GAA meets on the Girls' Athletic Field. GAA offers an athletic program to all Washington girls. Besides playing other Washington girls in intramural team sports, GAA sponsors many exchange playdays to promote better friendships with other schools. Sandy Englund, winter president, and Jane Carl, summer president, led GAA through a good season.

GAA BOARD—Row 1: Salvinger, Eliason, Englund, Muse, Carl. **Row 2:** Dobey, Fritsche, Snyder, Vieth, Walz, Coady, Hilsinger.

MODERN DANCE—Holding several audiences spellbound, the Modern Dance class executes techniques and interpretations. For the Christmas Assembly, the class danced in pantomime for Aaron Peck's narration of James Weldon Johnson's "The Creation". For the Spring Review, the class did original dance selections from "My Fair Lady" and a recording of Mussorgsky's "Night on Bald Mountain". Mrs. Nancy Stuart and Mrs. Juanita Cable teach the class.

VARSITY TRACK—Washington's Varsity tracksters again rated with a strong team. Bill Pothoff and Joe Barry coached the Varsity track team. Ray Cooper, who holds a 440 yard dash record, broke the 100 yard dash record with 9.7 seconds. Don Lawson, who broke the B 1320 record last year, won coveted points in the mile. Other consistent point winners for the Varsity club were Rolf Hunn and Bob Livingston, hurdles; Jerry Hansen and Bob Jones, high jump; Tom Bretches and John Mudd, shot put; and Frank Norona in the pole vault. Rolf Hunn, Bob Livingston, and Tom Bretches will be back to compete with the '58 Tracksters.

B AND C TRACK—In track meets the Varsity players receive most of the credit but also in there fighting hard are our B and C teams. Joe Barry and Bill Pothoff coached a good team again this year. Consistent point winners for the B's were Wilmer Garcia, 1320 yard run; Dick Enschede and Eddie Terrango, pole vault; Jim Humber, high jump; Byron Thomas and Warnie Noack, shot put; and Bruce Farr, high and low hurdles. Consistent C pointers were Henry Piligian, 100 and hurdles; Charles Rice, pole vault; Rolland Brous and Jerry Burton, shot put; and Pete Russel, broad jump. This year's B's and C's are next year's Varsity!

GYM TEAM—The musclemen of Washington did a fine job this year. Everyday the boys met with Coach Jim Cokas and worked out their routines for the meets. The rings, parallel bars, side horse, high bar, and rope climb are just a few of the events which make up a gymnastics meet. The outstanding men on the team were Ted Hawkins on the horizontal bar, Charles Castro on the rings, Mike Brunetto on the side horse, and General Larry Litherland who excelled in the rope climb. Larry, who has all the co-ordination and skill a gymnast could ever hope for, will probably go to the City Finals.

Walt Birch is all alert to steal a base at the annual Alumni Game.

VARSITY BASEBALL—"We're out!" and "We're in the lead." This seemed to be the cry for the Generals and Marthas all spring long. Under the watchful eye of Coach White and Coach Culler the varsity stickmen again finished out a very successful season. With such figures as big league-bound Tommy Gilpin on the pitcher's mound and Walt Birch behind the plate, the team was a sure hit. Although when at bat, some of the fans had their doubts. A surprise for the student body was the Alumni Game in March. The outcome of the game was not too good from the Varsity's point of view. The final score was 8-0, with the Alumni being the winners. Two of the outstanding players this year were Wayne Sorenson and Dennis Gibson.

JUNIOR VARSITY BASEBALL—"Victory, the cry of Washington" was true for the JV Baseball team as well as the Varsity since Dorsey was the only team able to beat the Generals. The JV boys downed our school rival, Fremont, 10-2. Bob Lancaster, Coach Culler's outstanding player of the year, pitched a sensational no-hitter against Jefferson. Other outstanding players of the season were Gary Sebella, second baseman, Allen Sayre-Smith, outfielder, and Bob Deckard, shortstop. As the season came to a close the team's batting average was over 300, which is terrific in anybody's book. Wouldn't you say so, Generals?

VARSITY TENNIS—Under the coaching of Mr. Lew Dunning, Washington's Varsity tennis team has had another good year. As this edition of the **Continental** goes to press, our squad has opposed eight team and lost to none. Spearheaded by Bobby Delgado and such players as Mike LaSalla and Mike Mansolino, the team has drawn a deep respect from its adversaries. Though many of the boys will graduate this June, Washington will not suffer from a lack of tennis in '58.

GOLF—The Washington golf squad enjoyed a moderately successful season, winning about half of their matches, and dropping some to the highly competitive Bay League teams. Ron Hunter, only letterman to return, joined with Jim Gorton, Dick Green, Ray Hane, Larry Keys, Dick Komonyi, and Keith Kott to form a steadily improving team. With no organized golf in the Southern League, Washington played free lance, and met such far flung rivals as North Torrance, Van Nuys, Cathedral, Inglewood, Morningside, Hawthorne, and El Segundo. SCHOLARSHIP CABINET—

Capably led by Richard Schulman, Winter president, and Jadine Jue, Summer president, the Scholarship cabinet planned a busy year. Starting things off was the Get-Acquainted Tea, and although there were many activities, nearly everyone's favorite was the Scholarship Breakfast. Highlight of each semester was Scholarship Week, during which the Sealbearers received lifetime membership pins and were presented to the student body. All members wore Scholarship ribbons throughout the week.

WINTER SCHOLARSHIP CABINET—Heytens, Davis, Amarian, Jue, Schulman, Gerde.

NEW MEMBERS—Row 1: Beam, Bowman, B. Tell, M. Tell, Mulconery, Requa, Dillow, Moffat. Row 2: Nicols, Alvarez, Smith, McCloskey, Reo, Lange, Sparkes. Row 3: Lundberg, D'Arelli, Leonard, Priebe, Hoffman, Hutton, Fuller, Peterson, Shaw.

NEW MEMBERS—New-comers to the Scholarship Society are sponsored by Mrs. Mary Davise and are known around Cherrytree Campus as New Members. The division is made up of Marthas and Georges who receive at least three A's and one B on one semester's report card. New Members enjoy the annual Scholarship get-acquainted tea at the beginning of each semester.

NEW TORCHBEARERS—Attaining good grades for two semesters, the New Torchbearers are well on their way to gaining high scholastic honors such as Senior Torchbearers, or Sealbearship. To serve Washington and the Scholarship Society, New Torchbearers tutor students whose grades have fallen down, and provide cookies for the semi-annual Scholarship Tea. Gary Gram efficiently led these studious boys and girls as chairman, and Mrs. Werminghaus sponsored the group.

NEW TORCHBEARERS—Row 1: Gram, Miner. Row 2: Ranson, Taylor, Pomaville, Gregory, Caldwell.

OLD TORCHBEARERS—

One division of the Scholarship Society is Old Torchbearers. Generals earning scholarship for three semesters are members. Ann Heytens, chairman of the summer semester, manages all the affairs of this honored group. With the aid of Eric Olson, vice chairman, Old Torchbearers have enjoyed a semester full of activities. Mr. Lawyer is the sponsor.

OLD TORCHBEARERS—Row 1: Obrand, Gram, Heytens, Olson, Blodgett. Row 2: Tarmo, Pell, Kurtz, Glisch, Zessau, Loveless, Potter, Van Volkenburgh, Seboldt, Snider. Row 3: Mr. Lawyer, sponsor; Richison, Ewing, Biermann, Anderson, Nocas, Graff, Fritsche.

SENIOR TORCHBEARERS—With four straight semesters in the Scholarship Society, a Senior B becomes a Senior Torchbearer. Sponsored by Mr. Robert Hawthorne, the Senior Torchbearers work together for an even greater honor, Sealbearers, to come in their Senior A semester. Students who reach Senior Torchbearers show enthusiasm, high scholastic ability, and excellent co-operation. These students set an example for under-classmen and for future Senior Torchbearers.

SENIOR TORCHBEARERS—Row 1: Forsen, Huffman, DeCastro. Row 2: Hurley, Levine, Link, Bennett.

winter and summer

SEALBEARERS—Sealbearership is the highest scholastic honor that can be attained by high school students of California. Senior A's achieve this goal by holding membership in the California Scholarship Federation for at least four semesters, one of them being in the senior semester. They have had at least three A's and one B, no D's or no F's on the twenty weeks' report. Citizenship of course must be commendable. On their graduation diplomas, permanent records in high school, and transcript of records to colleges will be the official emblem of the California Scholarship Federation, the gold seal. The gold seal has an open book signifying life and a laurel wreath symbolizing the award of achievement.

SUMMER KNIGHTS AND LADIES

—On January 10, thirty-six newly elected Summer Capricians became Knights and Ladies. Chosen on the basis of scholarship, leadership, and service, these select few set out to serve Washington even further. Giving orientation speeches to the B10's, helping with adjustments, and sponsoring the noon movie program are the services performed by the combined group. The highlight of the semester for these honored seniors was the presentation of the Knights and Ladies Dance, with "Treasure Island" as its theme. BOYS' AND GIRLS' STATE —

Indeed an unforgettable experience as well as a great honor is the privilege to attend California's Boys' and Girls' State. The annual sessions, sponsored by the American Legion Auxiliary, are held in Sacramento. Here the selected girl and several boys learn of the duties, privileges, rights, and responsibilities of American citizenship. By participation in mock sessions, the delegates see the actual functioning of our government. The Social Studies Department chooses the candidates.

seniors leave deeds to be remembered

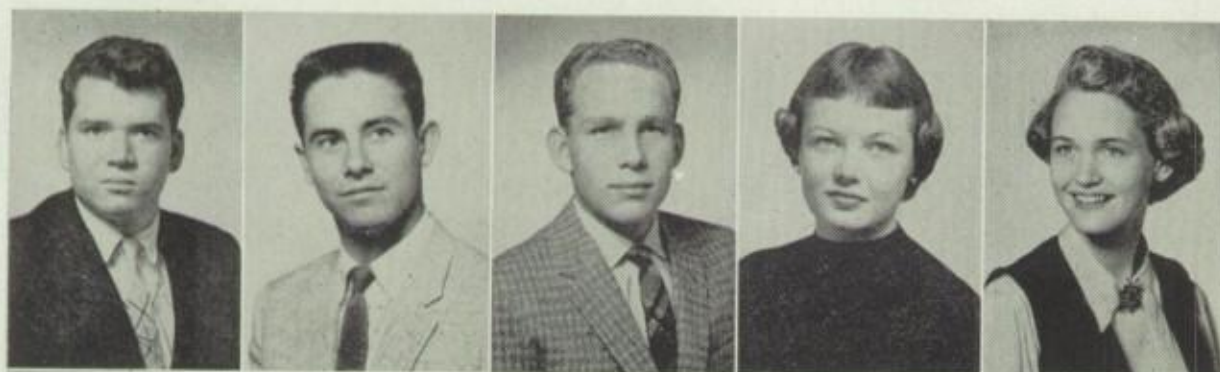

King Ray Cox and Queen Gwen Littleworth dance before admiring eyes at the Senior Prom.

CAPRICIAN CLASS OFFICERS—When Recognition Day came, many proud seniors displayed the Caprician Lavender Sweaters and White Accessories. That morning B12's officially became known as the Caprician Class of S'57. Other events highlighting this senior year were the panorama picture, the Senior Mothers' Tea, the Senior Breakfast, the prom and commencement. "We accept life's challenge with courage and confidence" was the class motto. All the friends made and fun experienced will remain in their memories for future years.

Dear Rick,

It sure doesn't seem possible that this time last year we were graduating together. So much has happened and yet - really so little. As I'm writing this I keep thinking back on the last year and 1/2 remembering all the things we've gone through together and of all the fun we shared.

This is the end of our first year of high school and look at how we've changed since - "that party in Nov. - 1955". Do you remember? We have taken the step from jr. high to high school together and have made our little changes. Some of the adjustments were hard, but we stayed at each others side to see each other through. Well, Rick, we are facing another adjustment and one of the hardest of them all. You are a Rat and I am a Pledge and the next 18 who are going to be rough for us both. There needs to be so much understanding between us to get us through the summer together. We are going to need each other so much and we can help each other so much if only we both try with all our hearts.

I think we both realize how close we have become in the last two months. Closer than ever before - so let's just keep that closeness no matter what, OK? I think you knew how I feel and just remember that feeling will never change.

I know we can work things out.

God Bless You Always and Forever
Love,

Your Girl - Judy
